TEXAS BIKINI TEAM

Each spring a casting call goes out for top physical specimens willing to work and play hard, travel and proudly represent Texas. No, sports fans, not for the Dallas Cowboys. The clarion call is to recruit rookies for The Texas Bikini Team—a 28-member roster that crisscrosses the country, stopping at auto and trade shows, conventions, grand openings and boating events. The team has an international fan club, calendars, trading cards and a video. Visit their Web site—texasbikini.com.—for a kickoff time and place near you.
